

**KNACK**  
MODERN GIFT GIVING

**We believe the most memorable gifts tell a story: yours.**

Our job is to help you build your brand. Customers come to Knack because we understand how to create emotions and memories that endure long after material gifts have been enjoyed.

**The story starts with you.**

## We believe that who we buy from matters.

We know the story behind every merchant in our marketplace. Whether you strive to support businesses that are locally-sourced, women-owned, mission-driven, or simply

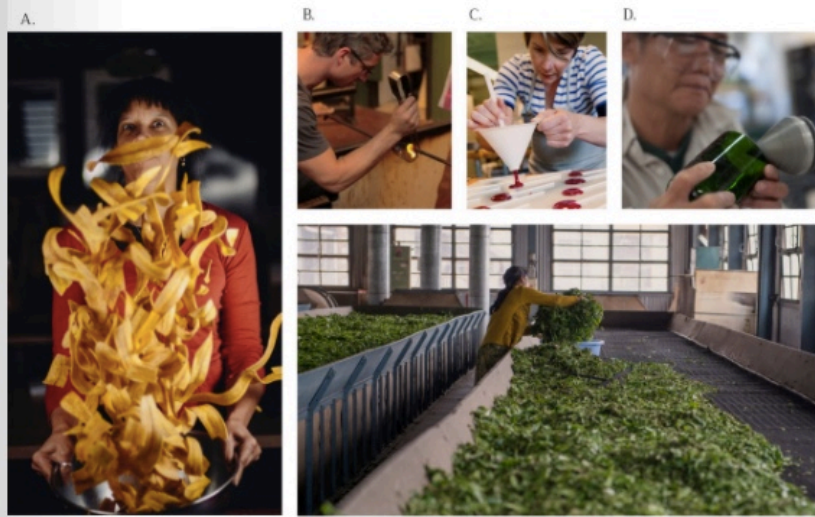

known for exceptional craftsmanship, we can introduce you to merchants who share your values.

**We celebrate our customers  
as a creative force.**

We make every gift to order, so special requests aren't an exception, they're our rule. We start by listening to your needs. Then we present a set of gift ideas tailored just for you, and work together to create a solution that perfectly represents your brand.

We offer unique perks for business customers.

### How It Works

Dedicated concierge service. Custom product sourcing. Memorable stories. Branding and engraving. Free U.S. delivery. Special requests are our specialty; we're at your service.

We present  
unforgettable
